COTTON IN THE VALLEY

L. E. BROCKMAN SAYS EVERY-
ONE IN IMPERIAL VALLEY
WILL PROFIT

L. E. Brockman, the well-known real estate man of 1102 West Broadway, who was down in the Imperial valley a few days ago, says that everyone there is talking cotton.

"The valley," said Mr. Brockman, "is prosperous. One does not hear any complaints there of bad times. The people are genial and pleasant as things are going well with them. This is quite a change from conditions as they were in 1914 when the war broke out. At that time cotton was so depreciated in value that it only brought seven cents. It takes from eight to nine cents a pound to raise the crop counting interest on land.

"Shortly after the war broke out Britain undertook to purchase the whole cotton crop and prices began to rise. Just at present the price of cotton runs from 18 cents a pound for the ordinary short staple cotton to 24 cents a pound for the long staple. All through the valley I saw fields of Durango, or long staple cotton that were producing one and a half bales of cotton per acre. A bale of cotton weighs 500 pounds. Thus each acre would produce \$180. No wonder every rancher is turning every available acre into cotton. Wherever the alfalfa fields are not showing up to the average they are being plowed up and cotton is being planted instead.

"There is every justification for this rush to plant cotton as there is even now a shortage of 10,000,000 bales. The valley cotton is in great demand as it is never spoiled by rain and is of a fine quality.

"I was in Calexico, which is the American town on the border, while Mexicali is the Mexican town just on the other side. Calexico is the great market for the cotton growers on both sides of the border. Just now it is wonderfully prosperous and wonderfully busy. There are eight cotton gins in the city and they are running steadily. There are also two presses for handling the cotton seed. The seed is turned into oil and into four or five different kinds of oil cake or food for cattle. The cotton seed brings \$42 a ton. As there are two pounds of seed to every pound of cotton it can be seen that the seed is a very valuable product.

"In Calexico there is also a compressor for baling the cotton and putting it in shape for shipment. I believe this is the only outfit of its kind on the Pacific coast. In the streets of Calexico one meets with buyers from all parts of the world. The Japanese are in great prominence. They are among the principal buyers. They ship their purchases direct to San Pedro and thence to Japan. Representatives of large British firms are also to be found here. It is a mecca of the nations.

"The valley has two other staple products besides cotton—early vegetables, especially cauloupes and dairy products. The cantaloupes are easily grown in the warm and favorable climate and find a ready market at remunerative prices in the east.

"Dairying is quite an industry. The farmers of the valley greatly favor pure-bred Holsteins. They find them not only excellent producers of milk which they give in large quantities but also valuable as beef cattle. The Jersey is favored chiefly by the butter makers. The vegetable industry and the dairy industry are both in good condition and those engaged in them are making money.

"I was in El Centro for a time. The city is prosperous. The ranches round about are raising cotton and cattle. There are many creameries there. The city also boasts of an ice plant. It is the county seat and the busiest spot in the valley.

"The climate in the valley is warm but pleasant. While I was there the average temperature was ninety. In that dry climate, however, there is no inconvenience felt from such a temperature. I followed the custom of the country and went about at ease in my shirt sleeves. In every way I was pleased with my visit to the Imperial valley and I expect great things of it in the coming season."

GLENDALE RED CROSS BRANCH

The Glendale branch of the British Red Cross society met in the Guild room of St. Mark's Episcopal church Monday afternoon. There was a good attendance. Mrs. Reginald Whitaker presided and work was done on making bandages for the wounded. A number of hospital shirts were also cut and two interesting letters from Saloniki were read giving details of the work that is being done on the Macedonian frontier. The society will meet next Monday in the Guild room as usual, the hostess will be Mrs. Georgiana Bell.

THE POSTMASTERSHIP

CONGRESSMAN RANDALL SAYS
THE PEOPLE OF GLENDALE
SHALL SELECT MAN

To the Editor—I have received a number of calls and letters in the interest of candidates for postmaster at Glendale. I have not had time to give any consideration to this matter and have no one in mind for the position.

No action whatever will be taken until about November 20th, when I will give a public hearing to Glendale, and invite every citizen to express his or her views. Your postmaster will be selected by your own people, so far as it is possible to ascertain their views.

Cordially yours,

C. H. RANDALL.

DINNER FOR DR. GREGG

The trustees of the city of Glendale, together with the officials of the Glendale Garden society, numbering altogether twenty-two persons, will entertain Dr. Gregg tomorrow, Thursday, evening with a dinner at Hotel Grey at 6 o'clock sharp. Those attending this banquet are requested to arrive before 6 o'clock that dinner may be served promptly. Dr. Gregg is scheduled to arrive at the High school auditorium at 7:45. The city trustees have to be at the city hall at 7:30. Therefore the banquet must positively begin at 6 o'clock.

Mrs. Ella Richardson has undertaken the floral decorations of the tables, so it goes without saying that some beautiful effects will be produced. A most enjoyable and instructive time is anticipated.

CHAPTER A. H. OF P. E. O.

Chapter A. H. of P. E. O., Tropico, met in regular session last Friday at the home of Mrs. Tholen, North Brand boulevard. The meeting took the form of a Reciprocity musical. Fifty guests were present. Among them were the following from Glendale, Mrs. Frank Campbell, Mrs. Eva Cunningham, Mrs. H. Parker, Mrs. A. W. Tower and Mrs. John G. Hunchberger. The house was beautifully decorated with chrysanthemums. There was a fine program of music. Mrs. Carl Johnson of Los Angeles, who spent a considerable time in China and is well acquainted with the manners and customs of the Chinese, gave a most interesting selection of Chinese songs and played with much effect on the Chinese flute. At the close of the entertainment a very fine luncheon was served.

BOOSTER DAY A SUCCESS

The Evening News' booster day has been a great success, and the end is not yet. New subscriptions have been received by letter, by telephone and in person. The payment of subscriptions in advance has been very encouraging, and those who have not paid are intending to do so before 8 o'clock this evening. The Evening News has scores of friends who are always ready to boost for it.

SOUVENIRS TO BE PRESENTED

Every adult attending the stereopticon lecture to be given on Thursday evening at the High school auditorium by the celebrated Dr. J. W. Gregg of Berkeley will be presented with a souvenir of the occasion. This wonderful lecture is free to the public as are all the lectures and socials given by the Glendale Garden society. Meeting will begin at 8 o'clock sharp. The public is advised to come early in order to secure good seats. Nothing to pay, everything free to everybody.

REPORT SUCCESS IN TRANSYLVANIA

GERMAN ARMY UNDER VON FALKENHAYN IS PUSHED
BACK ALONG WHOLE LINE

(Special Service to Glendale Evening News)

PETROGRAD, Nov. 1.—Reports from the Transylvania line state that the Roumanian troops, following up their victory in the region of Azuga have driven the German troops across the frontier. This fighting took place in the Szurduruk section. Berlin admits a check in that quarter and advices received here point to a decided defeat of the Teuton troops. In the Jiul valley also the Roumanians have forced the Germans back in the direction of the Vulkan pass. This is a strong strategic position and its capture by the Roumanians if they should succeed in retaking it would mean the retirement of Von Falkenhayn from Roumania.

GERMAN SUBMARINE SINKS TROOPSHIP

GREEK REVOLUTIONARY TRANSPORT SUNK WHILE CARRYING
SOLDIERS FROM CRETE

(Special Service to Glendale Evening News)

BERLIN, Nov. 1.—A large Greek transport, conveying Greek revolutionary troops from Crete was sunk by a German submarine this morning. The contingent of soldiers was being conveyed to Saloniki for the purpose of joining the Allies. A large number of the soldiers were drowned and numbers saved themselves by keeping afloat until rescued.

FRENCH MAKE PROGRESS ON THE SOMME

GENERAL FOCH'S MEN TAKE MORE TEUTON POSITIONS IN
REGION OF SAILLY-SALLISEL

(Special Service to Glendale Evening News)

PARIS, Nov. 1.—Little fighting was done on the Somme front in the vicinity of Sailly-Sallisel, except where the French troops pressed forward and captured a few German trenches. The fighting otherwise was confined chiefly to artillery duels. The Germans devoted their attention to the St. Pierre Vaast forest, where the French are occupying the positions they recently captured.

WILSON GETS HEARTY RECEPTION

PRESIDENT BEGINS TOUR OF CITIES AND DISTRICTS BEYOND THE BRONX

(Special Service to Glendale Evening News)

JOHNSTOWN, N. Y., Nov. 1.—President Wilson is making a good impression in his tour of the upstate cities. Everywhere large crowds come out to greet him. His itinerary will take him through the principal cities of the upper part of the state and he expects to sweep many votes into the Democratic column before he finishes his journey. New York Democrats say Wilson will have a majority when he comes down to the Bronx.

DEUTSCHLAND ARRIVES IN NEW LONDON

GERMAN COMMERCE SUBMERSIBLE ARRIVES FROM BREMEN WITH CARGO OF CHEMICALS

(Special Service to Glendale Evening News)

NEW LONDON, Conn., Nov. 1.—The Deutschland, the now famous German commerce submersible arrived here this morning. The undersea freighter left Bremen, October 10, and encountered no dangers on the way across. The submersible brings to this country a large cargo of chemicals. She has a crew of twenty-five men. She is now tied up at a dock in the vicinity of the North-German Lloyd steamship Willehad.

SUBMARINE U-53 ARRIVES IN GERMANY

CAPTAIN HANS ROSE BRINGS HIS NAVAL UNDERSEA VESSEL TO PORT IN SAFETY

(Special Service to Glendale Evening News)

AMSTERDAM, Nov. 1.—The German submarine U-53 which created such a sensation on this side of the Atlantic by sinking five merchant vessels close to the American three-mile limit, and whose whereabouts have been the subject of much discussion ever since those exploits, reached a port in Germany safely yesterday. The U-53 arrived at Newport, R. I., from Wilhelmshaven, October 7 and left again after a stay of three hours. Captain Hans Rose was in command.

GERMAN SUBMARINE KILLS SIX AMERICANS

(Special Service to Glendale Evening News)

CORK, Ireland, Nov. 1.—United States Consul Frost reports that six Americans were killed on the Marina.

FIFTY YEARS WED

MAJOR AND MRS. ROBERT
WAUGH SURPRISED ON GOLD-
EN ANNIVERSARY

Yesterday was a great day in the life of Major and Mrs. Robert Waugh who celebrated the fiftieth anniversary of their marriage. The celebration took on the form of a surprise party, a large number of friends and relatives joining in a well conceived plot to catch them unawares. They were given to understand that the occasion was to be quietly celebrated by a family dinner in the evening at the home of their daughter, Mrs. J. F. Lilly, at 128 South Louise street. Mr. and Mrs. M. P. Harrison were among the arch conspirators, and arranged to take Mr. and Mrs. Waugh for an auto trip in the afternoon. While this trip was in progress the other conspirators arrived at the Lilly home, concealed their autos on side streets, and awaited the coming of the "bride and groom." Making an excuse to go by the house, the Harrisons landed them at the front door totally innocent of the plot, where their astonished gaze met the laughing countenances of those who came to do them honor.

The guests were largely those who had known them at their former home in Mt. Pleasant, Ia., and the meeting with these and other dear friends, some from distant cities, will doubtless be cherished among the most pleasant recollections of their lives.

The house was bedecked in chrysanthemums, roses and carnations, golden being the predominant color throughout. The spacious home presented a scene of beauty and animation well fitted to the occasion being celebrated.

An informal program was presented, one of the most enjoyable features being the musical numbers. Mrs. Calvin Whiting sang feelingly the ballad, "Oh, Promise Me" and responded to an enthusiastic encore. Mrs. Whiting later favored the guests with another evidence of her art in two recitations suitable to the occasion.

Miss Clara Waugh accompanied Mrs. Whiting and followed with two piano selections that were much appreciated.

Telegrams and messages from absent friends and relatives were then read. The occasion was enlivened at this point by several bogus telegrams from noted celebrities, which brought forth rounds of laughter, and several bogus remembrances in the form of "gold bricks," "Golden Medical Discovery," "Gold Dust (twins)" and Bryan's Cross of Gold speech.

After being photographed the guests were then served with refreshments, the appropriate color of gold and white being carried out in this service.

Major and Mrs. Waugh were married at Steubenville, O., just fifty years ago on October 31, 1866, not long after the return of Mr. Waugh from his service in the war of the states. Their wedding trip brought them to their new home at Mount Pleasant, Ia., where they lived for nearly a quarter of a century. In 1890 Major Waugh received the appointment as Indian agent for the Ute Indians in Utah serving in this capacity for four years when he removed to Colorado Springs, Colorado, the present permanent home of the family. They are spending a year in Glendale and enjoying the balmy climate of this region.

Besides Mrs. J. F. Lilly and Miss Clara Waugh, twin daughters, who are here, they have two sons, D. C. and R. E. Waugh, who are located in Myton, Utah, but were unable to be present at the unique celebration.

Mr. and Mrs. Waugh were the recipients of many substantial tokens of love of their relatives and friends, and face the coming years rich in memories of a happy past, serene and confident for the future finding their greatest pleasure in the love and esteem which their friends and dear ones bring to them.

The invited guests, most of whom were present, were as follows:

Messrs. and Mesdames W. E. Edmonds, Calvin Whiting, W. J. Clendenin, A. B. Hosack, J. W. MacCurdy, Ed M. Lee, F. W. Burgess, M. P. Harrison, U. H. Emick, John Brunner, Frank Nay, W. A. Schickler, G. F. Bergen, G. H. Connaught, Clark Buchanan, William Fanning and Tom Johnson. Also Dr. D. S. Tappan, formerly pastor of the Presbyterian church at Mt. Pleasant and his daughter, Mrs. Oella Lowman; Mrs. Margaret Linder; Mrs. B. M. Brooks; Mrs. Ormsby, Mrs. Mary H. Clark, Miss Martha Winans, Miss Vera Holloway, Miss Hosack, Miss Clyde Brooks, Miss Inez Harrison, Dr. Laura Brown of Lincoln, Neb., and her father, Henry Brown, Miss Louie Hosack, Miss Clara Waugh, David

AT GLENDALE HIGH

DR. HENRY R. HARROWER LECTURES ON "CHEMISTRY OF THE BODY"

Physiological chemistry is not so dry and uninteresting a subject as one might suppose.

This was proven yesterday by Dr. Harrower, F. R. S. M. when he addressed an interested group of science students in the school auditorium. Although Dr. Harrower is one of the best medical authorities in this country, he demonstrated that he could come down to the level of the layman and impart a fund of valuable and interesting information of the most practical sort.

After being introduced by Professor Hondyshe, through whose efforts the lecture was arranged, Dr. Harrower defined physiological chemistry. The body, he said, was a chemical laboratory, and the foods taken into it nothing more nor less than chemicals.

Elaborating on the chemical composition of the different foods he explained their uses and abuses in the body. He declared that many common diseases are caused by overeating of proteins, and advised less proteins in the average diet.

The speaker showed that more trouble was caused by lack of digestion than by lack of the foods themselves. Many people eat a sufficiency of every substance necessary for health, and yet the body may be starving for some chemical. This is because the substance is not digested.

After 6000 years we still do not know how to eat, Dr. Harrower declared, yet this is one of the most important of factors in maintaining health. He spoke in particular of the necessity of including fresh vegetables in the diet. The vitamins, which are now recognized to be very important for perfect health, are destroyed by cooking. Sailors who live on hard tack and bacon often have scurvy as the result of a lack of vitamins.

From this the speaker went to the subject of toxins and explained in a most interesting manner the recent wonderful discoveries made in the medical science.

Every student present gained much useful knowledge from the lecturer. Dr. Harrower will give two more scientific talks the next of which will take place next Monday at 9 o'clock. The subject will be "Ductless Glands" and the speaker will be right at home with this topic on which he has written several medical treatises. Outsiders are welcomed.

OBSERVING HALLOWE'EN

Hallowe'en was faithfully celebrated, Tuesday, October 31, by the greater part of the community of Glendale. Throughout the week previous Hallowe'en parties of all kinds were given, from the simple family affair to the elaborate function with from sixty to 100 guests. The Hallowe'en festival itself was marked by a great number of informal parties and a few formal ones. This year the children dressed in many curious costumes inaugurated a fashion of visiting the homes of their friends and showing themselves in the quaint garb. There was much innocent fun and a general absence of the horseplay and tricks that so often have provoked householders on other past celebrations of the day.

Bands of children dressed in interesting garb, paraded various streets and in at least one instance were accompanied by a bugler who waked the echoes of the streets with his instrument. A masker adorned with a huge bear's head attracted much attention. Another was dressed in a very handsomely cut and adorned Indian suit. There were ghosts of every kind.

The people thus visited were highly pleased and remarked that the new manner of celebrating Hallowe'en was a vast improvement over the old. There was evidence that the Hallowe'en festival is taking a stronger hold every year on the imaginations and affections of the people. It has never been much spoken of in American literature. There are practically no real American Hallowe'en poems or readings; but judging from the popularity of the season it will not be long before there will be an abundance of them. The new Hallowe'en is a great improvement over the old and as time goes on it will take on new features and will grow in gracefulness as it loses its old features of practical jokes and sometimes malicious mischief.

Waugh and Master Kenneth Lee. These, with the guests of honor, Mr. and Mrs. Robert Waugh and the host and hostess, Mr. and Mrs. J. F. Lilly made up the numbers of those who joined in the celebration.

GLENDALE, CALIFORNIA, WEDNESDAY, NOVEMBER 1, 1916

THE SINGLE TAX

PASSAGE OF AMENDMENT NO. 5 WOULD BRING CHAOS UPON THE STATE

Editor News—The Title Insurance & Trust company, recognizing the great injustice that would follow the adoption of the single tax amendment, has issued a letter to its customers that every body should read and ponder. It is all the stronger because of the fact that this big corporation, with \$2,000,000 of resources, which now pays a large tax, would be practically exempt from taxes if the amendment were adopted. This company sees the ruin that would follow such a law, and realizes that California would meet with a disastrous set-back with its adoption.

I believe your readers will be interested in this letter, which follows, J. F. LILLY.

A disastrous earthquake covering the entire state, many times as severe as the one of 1906, would not create one-half the chaos that the passage of Amendment No. 5 would bring upon our state. The proposed amendment would be effective January 1st, 1917, superseding all pres-

ent forms of taxation. It would transfer to the land owners practically all the taxes now paid by the corporations of the state, amounting to forty million dollars. Land and land alone without regard to improvements thereon, would bear the entire burden of taxation for all public purposes. This would create such a burden upon the farmer and the owner of homes in cities and towns that it would amount to confiscation. It would leave us for a period of practically two years, or until the land values of the state could be re-appraised and a new tax law put into effect, without funds to run either state, county or city governments.

Let your vote on amendment No. 5 be NO.

Investigate for yourself, tell your friends and tell them to tell their friends, if you would save California from disaster.

THE TRAVELER'S TREE

One of the most remarkable plants in the world grows in the West Indies, where it is known as the traveler's tree. It might properly be called a sanitary drinking fountain, for, when its stem is cut a quantity of pure, cold water springs forth.

MAMMOTH CLUB BAZAAR

There will be a veritable fairy land at Masonic Temple, Saturday, December 2, when the enthusiastic plans of the Tuesday Afternoon club ladies materialize, for Mrs. J. F. Hearnshaw says so. White covers, Christmas greens, snow and holly berries cannot fail to entice the spirit of Christmas into our midst. At the call of Mrs. Daniel Campbell, the following ladies met at the home of Mrs. H. E. Bartlett, 101 South Brand boulevard, Monday afternoon: Mrs. Daniel Campbell, Mrs. H. P. Goodwin, Mrs. David Black, Mrs. Lawrence Ellis, Mrs. C. E. Harlan, Mrs. S. C. Packer, Mrs. H. Lee Clotworthy, Mrs. E. H. Willisford, Mrs. A. W. Tower, Mrs. L. W. Sinclair, Mrs. John Hunchberger, Mrs. W. W. McElroy, Mrs. A. L. Weaver, Mrs. Frederick Baker, Mrs. W. E. Evans, Mrs. George Adams, Mrs. Ella W. Richardson, Mrs. William Ramsay, Mrs. E. W. Kinney, Mrs. C. M. Turk, Mrs. Menzo Williams, Mrs. Helen I. Campbell and Mrs. J. F. Hearnshaw. With busy fingers already flying in anticipation of the coming event, beautiful and extensive plans were laid for the bazaar to be given for the benefit of the Tuesday Afternoon club building fund.

If you have a sweet tooth, Mrs. E. W. Kinney says she has solicited a large quantity for you from the good candy makers of the club, popcorn balls too, the corn syrup kind, and if you want fancy candies from the chocolate shop you can find them as well.

Mrs. C. E. Harlan and Mrs. E. H. Willisford have elaborate plans made for a second hand store, some clothing perhaps, but mostly white elephants, books you have read, vases, bric a brac, and the like. In these days of the high cost of living, you will find a friend in this second hand store.

Mrs. L. W. Sinclair says a large committee is at work making up everything in the way of supplies which the practical housewife needs, aprons, holders, etc.

Mrs. John Hunchberger will come to your relief this time with delicious coffee, hot dogs, tea and wafers, most of which generous firms have donated.

Mrs. W. W. McElroy has appointed Mrs. Albert Dow as her chairman and from their booth, you, young man, can send your lady love a beautiful corsage bouquet, or supply your shut in friends with potted poinsettia plants and ferns.

Mrs. Frederick Baker who says Mrs. C. O. Pulliam is assisting her in a grand surprise at her booth, will supply all your handkerchief demands, large or dainty ones, plain or fancy ones.

Last, but by no means least, Mrs. Ella W. Richardson and her committee will have a booth of trees, shrubs and wild flower seeds. Fall in line with Glendale's active campaign for civic improvement and beautify your lots from this booth.

Don't forget that the time and the place of this mecca for Christmas shoppers is Saturday, December 2, from 1:30 p. m. to 11:30 p. m. at Masonic Temple. A program committee consisting of Mrs. C. M. Turk, Mrs. W. E. Evans and Mrs. H. P. Goodwin will arrange for speakers and for musical numbers for both afternoon and evening.

MRS. E. W. RICHARDSON TELLS OF CRUSADE FOR BEAUTIFY- ING GLENDALE STREETS

Its surprising what good work can be done quickly, by a few able people thinking along the same line. In The Glendale News of May 27, 1916, on page four, column four, is to be found a splendid article by J. F. Lilly in which he says, "We must beautify our city." He also quotes John H. Braly's saying, "The biggest, best paying investment our city could make at this time would be to plant trees, plant trees, plant trees, plant trees, plant trees."

Ever so many are now talking street trees, expressing gratitude for the prospect of soon seeing our streets lined with trees. Have we an eye for form, for beautiful outlines and delicate traceries?

Trees will be lines of grace surely, and tracings of a fairy hand, nay of a Divine hand.

How beautiful is God. How beautiful are all His works.

The more we come to know trees the more we'll come to love them and whatsoever we truly love, we'll plant and cherish.

The civic section members represent every street in Glendale and they are an energetic lot of citizens and the "pep" and contagion soon spreads and soon every one in Glendale "gets into the game" and becomes a committee of one to plant and boost for Glendale, the city beautiful.

We are glad to see daily increas-

ing interest. People are realizing that every tree planted is a living monument to the planter.

The first Saturday after election is the first tree planting crusade. Trees will be planted as fast as possible so as to get the benefit of all the winter rains and be well grounded before dry weather comes in April.

ELLA W. RICHARDSON,
Curator Civic Section.

HIGH SCHOOL GIRLS CELEBRATE

Among the many clubs and coterie that celebrated Hallowe'en Tuesday, October 31, was a group of High school students who enjoyed the mystic evening at the home of Mr. and Mrs. David L. Gregg, 206 South Central avenue. The house was appropriately decorated with the Hallowe'en colors, yellow and black. The yellow chrysanthemums and the sun-bells of the season, black cats, witches, hobgoblins and other accompaniments, formed a pleasing setting to the amusements of the evening. The young people enjoyed themselves with dancing, music and games. Those present were: Margaret Gregg, Aileen Freeman, Eloise Seamon, Jean Anderson, Ardes Eeiser, Helen Hardin, Cecelia Lyons, Nettie Werve, Lelia Shea, Catherine Lord, Jamie Shea, J. T. Beach, Percy McIntyre, Owen Dibern, Harry Glazier, Montgomery Coole, Vardaman Bailey, Laurence Davis, Ed Seay and R. S. Brown.

CAPACITY HOUSE ASSURED

There is every evidence that the High school auditorium will be completely filled tomorrow, Thursday, evening when the renowned Dr. J. W. Gregg of the University of California will deliver a stereopticon lecture on Public Parks and Playgrounds. Seldom has Glendale had the opportunity of welcoming such a distinguished guest or of meeting and hearing such a celebrated personage without charge of any kind. The Glendale Garden society presents this great treat to the public for the sake of home and civic beauty, for the good of Glendale, for the education and enlightenment of its citizens.

Come early tomorrow evening for the program will begin at 8 o'clock sharp. Every adult will be presented with a souvenir of the occasion. Do not fail to attend this epoch-making lecture, do not fail to accord Dr. Gregg a most hearty reception. Do not fail to remember time and place, High school auditorium, Thursday evening, 8 o'clock sharp. Do not fail to bring with you all your friends, neighbors and acquaintances.

UNIQUE GHOST PARTY

What proved a most enjoyable form of Hallowe'en party was the ghost party arranged by Mr. and Mrs. R. E. Frey, 529 South Central avenue, Tuesday evening. All the guests arrived clothed in ghostly garb and completely disguised. One of the first amusements of the evening was that of trying to guess who each ghost was. When all the guests had been guessed a series of ghostly tableaux were presented. Ghosts representing the shades of the great men and women of the past were shown among them George Washington and Abraham Lincoln.

Hallowe'en games were played and afforded much amusement. Then each guest was presented with a little slip which when opened proved to be a forecast of the fortune of the guest. This occasioned a great deal of humorous comment. Refreshments were then served. Those present were the Rev. Dr. Mills and Mrs. Mills, Miss Lillian Mills, Mr. and Mrs. Pierre V. Potter, Mr. and Mrs. I. D. Vinton, Mr. and Mrs. J. W. Andree, Miss Marie Albers, Mr. and Mrs. W. L. Andrews, Mrs. Rathbone, Mrs. Brubaker, Mr. and Mrs. C. M. Van Dyke, Mr. and Mrs. A. R. Chapell, Mr. and Mrs. Louis Scovern, Mrs. W. R. Letton, Mr. and Mrs. Earl Stewart, Mr. and Mrs. Raymond Hoagland, Mr. and Mrs. A. J. Shepard, Mr. and Mrs. F. A. Davis.

APOLLO WILL BE WINNER

If you an itch for office should in the future get you'll find to be good looking is not a bad asset. While a shapeless, lean and hungry ill assorted chap, however full of goodness, carries a handicap. In good old times you never saw, or cared to see, or note, the man for whom your party commanded you to vote, but now from any surface, bill board, wire pole or tree, behold his smiling picture and read his pedigree. To California's credit proclaim it, there is not an ugly or a plain one, but a fine looking lot, and women now are voting, therefore you need not doubt, Apollo will be winner when the votes are counted out.

HALLOWE'EN MASQUE

Josephine Franklin, daughter of Mr. and Mrs. Blake Franklin, 1498 West Third street entertained a number of her young friends at a Halloween masque Monday afternoon, from 3 to 5. The young guests came in various guises and all had a very merry time. There were the usual games of the season and the company was served with delicious refreshments. At the close of the party the guests were taken by Mrs. Franklin for a ride along Verdugo road and then to their homes. Those present were Marguerite Chappell, Dorothy Van Dyke, Helen White, Margaret Longley, Jane Thim, Betty Heustis, Joy Willisford, Louise Berry and Virginia Witt.

REBEKAH PARTY

Members of Carnation Rebekah lodge and their friends to the number of fifty-six enjoyed a hard times party at Odd Fellows hall Tuesday evening. The entertainment committee consisting of Mrs. Schroeder and Miss Sprinkle had arranged games that occupied the guests during the evening and were of a progressive nature. There was music and a general good time. Refreshments of sandwiches, coffee and pumpkin pie were served, in charge of Mrs. M. L. Weaver, Mrs. H. C. Smith and Mrs. Hartley. The hard times costumes were the cause of much fun, Earl La Roe winning the prize for the best, or rather, the worst costume. Mr. La Roe also won the prize for winning the most points in the progressive games.

SUNDAY SCHOOL SCHOLARS HALLOWE'EN

Mrs. P. E. Laichinger, 239 North Jackson street and J. Camphouse, 121 North Maryland avenue, entertained Tuesday evening, the classes taught in the Presbyterian Sunday school by Mr. Camphouse and Miss Bessie Field. The affair was held in the Presbyterian bungalow and was a Halloween social. A special feature was the magic tricks of two genuine Hindoo snake jugglers from the Punjaub and their playing on the Hindoo snake charmer's flute.

Games and music helped to pass the evening. The lights were turned out leaving only a ghostly blue light burning by whose rays Miss Bessie Field told a thrilling ghost story. The bungalow was tastefully decorated in Halloween colors. Thirty-seven young people were present.

HALLOWE'EN CHARADE PARTY

Dr. and Mrs. H. R. Boyer of Hawthorne street entertained a number of their friends at a charade party Halloween evening. The rooms were tastefully decorated with large gold and chrysanthemums and usual Halloween decorations. The party took the form of an evening of charades, which were acted and guessed by the guests. Some of these were productive of a good deal of amusement. A pleasing musical program with recitations was given and the merry party partook of delicious refreshments. Those present were: Mr. and Mrs. Lockwood, Mr. and Mrs. A. L. Weaver, Dr. and Mrs. R. V. Hogue, Rex Chubbick, Mr. and Mrs. A. L. Ferguson, Mr. and Mrs. Jesse Joseph, Miss Margaret Nichols, Miss Harriet Nichols, Dr. and Mrs. Frary, Mr. Surl of Los Angeles, Mr. and Mrs. Frank Peckham, Mr. Albert Pearce, Mr. and Mrs. Buchanan, Mr. and Mrs. Goss, Miss Helen Weber, Miss Peters, Mrs. Plannette, Mrs. Margaret Linder.

EVENING OF AMUSEMENT

The members of the J. O. C. of the First Methodist church enjoyed a pleasant, social time at a Halloween party given at the church Monday evening. The ladies of this organization invited the men to the fun making stunts of the evening. The ladies were dressed as ghosts, being entirely disguised, and while engaged in walking around a block the gentlemen guests were asked to select a lady as a partner for the evening. This was the source of great merriment, as was also the trip to London contest which comprised the opening of a suit case in which were enclosed a coat and a hat. The contestant was required to don the coat and hat, raise an umbrella and make a trip to various parts of the room, return to the suit case, remove the coat and hat and place them in the suit case in the same condition as they were when he first opened it. The person making the best time was announced the winner of the contest.

NEW DIMES IN CITY

The Bank of Glendale is issuing from its Glendale avenue and Boulevard banks the new dime just sent out by the mint at Washington. On one side is a striking head of "Liberty" in relief, with the word "Liberty" around it in capitals. In small letters is the motto, "In God We Trust" on one side of the neck of the figure and on the other is the "W" signature of the Washington mint. On the reverse side of the coin is a "fascies," the old Roman axe in the bundle of rods, the symbol of power. Around this is "United States of America" and "One Dime" both in capitals. The "fascies" is wreathed with foliage and on the right of it is the motto "E Pluribus Unum."

TROPICO TRUSTEES

TRUSTEE BOYCE RESIGNS—STEPHEN P. VESELICH CHOSEN TO FILL VACANCY

The trustees of the city of Tropic met in regular session Tuesday evening at 7:30 with President Peters in the chair. Trustees Alspach, Henry and Seal present, Boyce absent. Officers Coleman, Shaw, Wattles, Mabry and Gould were also present. The minutes of the last meeting read and approved.

A communication was received from the Pacific Light & Power company, stating the work that had been done during the previous month towards the betterment and extension of their service.

Written applications were received from J. H. Hope and H. Stearn of the Valley Stage lines for permits to operate auto busses through Tropic, designating route to be traveled and stops to be made. On motion of Trustee Henry the permits were granted.

The city attorney presented for their adoption, to the board an ordinance of intention for the opening and widening of Columbus avenue. The ordinance was read and declared read for the first time.

On account of being unable to see the parties in regard to the Lassen appeal this matter was laid over until next meeting night.

The building inspector reported that he had collected \$11.19 for electric permits, \$8.50 for plumbing permits and \$9.00 for building permits for the month of October, 1916.

The ordinance amending the building ordinance concerning cess pool digging was read and declared read for the second time and on motion of Trustee Henry the same was passed on third and adopted.

City Engineer Wattles sent in by the president of the board a letter which he had prepared in answer to Engineer Reagan concerning the handling of the flood waters in Tropic. The letter embodied suggestions for the cleaning out and straightening of the wash channel and a few other minor suggestions. The letter seemed to voice the sentiment of the board and was ordered typewritten and a copy of same forwarded to Mr. Reagan.

Trustee Peters reported that the unsightly appearance on vacant lots in the Boynton street district was being taken care of by the people in that locality, who had volunteered to destroy the weeds and sunflower stalks themselves as the party who planted the sunflowers has removed to Chicago.

On account of the unsatisfactory working of the drinking fountain which had been repaired by C. S. Hunter, his demand for \$8 was denied and the street superintendent was instructed to have Mr. Hunter remove the fixtures he had placed thereto and Trustee Peters was delegated to look after the fixing of the drinking fountain and have it put in proper condition for use.

Mrs. Witham made application for a deed to a strip of land three feet wide along the front of her lot on Walnut street. It seemed as if Mrs. Hunter had decided this to the city for street purposes but was never used. The matter was laid over for future action.

Trustee Allen C. Boyce sent a letter to the board wherein he tendered his resignation as a member of the board of trustees of the city of Tropic. The resignation to take effect at the pleasure of the board. On motion Mr. Boyce's resignation was accepted.

On motion of Trustee Seal, Stephen P. Veselich was chosen to fill out the unexpired term of Mr. Boyce.

In the matter of the petition of the railroad commission for the restoration of the old water rates, the city attorney suggested that in order to have some prestige with the commission it would be necessary to have this petition signed by at least half of the rate payers of the city. On motion of Trustee Henry, the chairman of the board was instructed to employ some one to secure the signatures and to pay the party or parties carrying the petitions 5 cents per signature.

The following claims were allowed and ordered paid: The Neuner Co., \$42.50; J. A. Newton Electric Co., \$15.18; E. C. Fairchild, \$40; Pacific Telephone Co., \$1.35; Volunteer Fire Department, \$3.50. On motion the board adjourned to meet at 7:30 p. m. on Monday, November 6, 1916.

The Evening News Election Contest

\$12.00 in Prizes to be Given Away

In order to ascertain the existing sentiment among it's readers, and at the same time to see just how good a prophet you are The Glendale Evening News will give \$12.00 worth of prizes to the ones guessing the nearest to the number of votes cast on the wet and dry amendment No. 1 and the vote for Hughes and Wilson.

These prizes will be given in certificates and redeemable at the places of business of five advertisers. First prize, \$5.00. Second prize, \$3.00. Third prize, \$2.00 and two prizes of \$1.00 each.

At the bottom of each advertisement will be found blank lines in which to write the figures of the vote you think will be cast in Glendale for and against amendment No. 1; the vote for Hughes and the vote for Wilson. In order to guess, an entire "ad" must be cut from the ones surrounding this contest announcement and the figures with your name and address placed in the blanks in the ad.

AN ADVERTISER CAN ALSO WIN

The advertiser having the largest number of ads cut out and sent in at the end of the contest will receive a \$5.00 ad free in the issue of The News of Thursday, November 9.

The contest closes November 7 at 8:30 p. m., and all letters must be in The News office prior to that hour. Winners announced in issue of The News of November 8. Everyone has an equal opportunity to win—it just depends on how good a prophet you are. Bring, send or mail your guess to Election Contest Department, Evening News, 920 West Broadway, Glendale, Cal.

Opening of New Photographic Bungalow Studio

I beg to announce the opening of my new studio at 1118 Lomita Ave., corner of Brand Blvd. I have installed the most modern and best equipment, including a new lighting system for making beautiful lighting effects, day or night. To introduce my work, I will make absolutely free a beautiful portrait for the first twenty-five visitors. Yours truly,
